MEMORANDUM FOR: General Counsel

FROM:

[REDACTED]

Director of Information Services

STAT

SUBJECT:

Sims Case

Stan:

1. We are all feeling mighty proud of our Office of General Counsel and its success in pursuing and winning the Sims Case. As I read the opinion, it solves not only the instant problem but also other areas of the Agency's work. Seems to me that it is truly a landmark case.

2. When I was first assigned to this position, [REDACTED] briefed me on the significance of the case, and thereafter kept me fully informed of its progress. In the process, it became apparent to me that he had devoted a considerable effort to the case, i.e., preparing affidavits, meeting with Justice attorneys and the U. S Attorney's office, and preparing briefs. I know you will include him with the others who deserve high praise for the successful conclusion of this important case.

3. Congratulations.
